

Dear Jacksonville and Onslow County Boaters,

The Jacksonville Breakfast Rotary Club cordially invites you to join in the
31st Annual Christmas Flotilla
on December 1, 2018

Once again our Christmas Flotilla will join with the City of Jacksonville's Winterfest to bring an even larger crowd than ever before to downtown Jacksonville! This event is a fun occasion for the families and residents of Onslow County, and is a great way to get in the holiday spirit. We are anticipating over 2,000 guests in attendance this year! There will even be a visit from Santa Claus himself on the New River Boardwalk next to the USO.

The boats will be judged for their holiday spirit and originality and prizes will be awarded in the amounts of \$200.00, \$100.00, and \$50.00 for first, second, and third place. There is no entry fee for participation, and boats of all shapes and sizes are welcome. All participating boats will receive a captain's goodie bag, an appreciation plaque and a delicious fish fry meal following the flotilla.

Put on your thinking cap and have fun coming up with a theme for your boat! All those who help you decorate your boat are welcome to ride with you in the Flotilla. If you are unable to decorate your boat, but would still like to be a part of the festivities, we will need 5-6 safety boats helping out on the river the night of the Flotilla.

Please be sure to return your Participation Form by November 24th at the latest to ensure that we have enough plaques prepared and enough food ordered to feed all captains and their crew. Participation forms can be faxed to 888-808-9991 or given to any member of the Jacksonville Breakfast Rotary Club. There will be a Captain's meeting at 4:00 pm on the date of the Flotilla.

For more information or if you have any questions, please feel free to contact me at 919-699-7911. We look forward to an outstanding turn out this year and, with your help, we will break our record for the number of boats in the parade!

In Rotary Holiday Spirit with Service Above Self,

Chris Felden
