Public Safety
Remembrance Garden

Remember and Honor

Together we remember and honor our fallen

Remember - The Public Safety Remembrance Garden is a scenic environment located on the grounds of the new Center for Public Safety. This space includes a fountain, flowering tree landscaping and brick pavers placed to reflect and honor the men and women who have given their lives in the line of duty. Although the garden honors all those who risk their lives through Public Service, the garden includes the names of two fallen Jacksonville Police officers, Terry Lee Lanier and William Thomas Whitehead.

Build - Volunteers coordinated this project and continue to raise funds through individual and group donations to cover costs of additional elements including benches and etched pavers. The garden was presented in May of 2018, and is located on Chaney Avenue in downtown Jacksonville adjacent to the Center for Public Safety.

Donate - Etched brick pavers are available for purchase and will become a permanent part of the garden. Bricks may memorialize departed officers, friends or loved ones who have served in public safety in service to the City of Jacksonville or elsewhere. Each brick paver is $100, 4”x8” and can carry one to three lines of text and eighteen characters per line. Donations are being accepted at City Hall Water Billing, 815 New Bridge Street, Jacksonville, NC 28541. Paver forms are online at JacksonvilleNC.gov/Donate or fill out the form below and bring it to City Hall Water Billing. **Questions? Call 910-455-1772**
